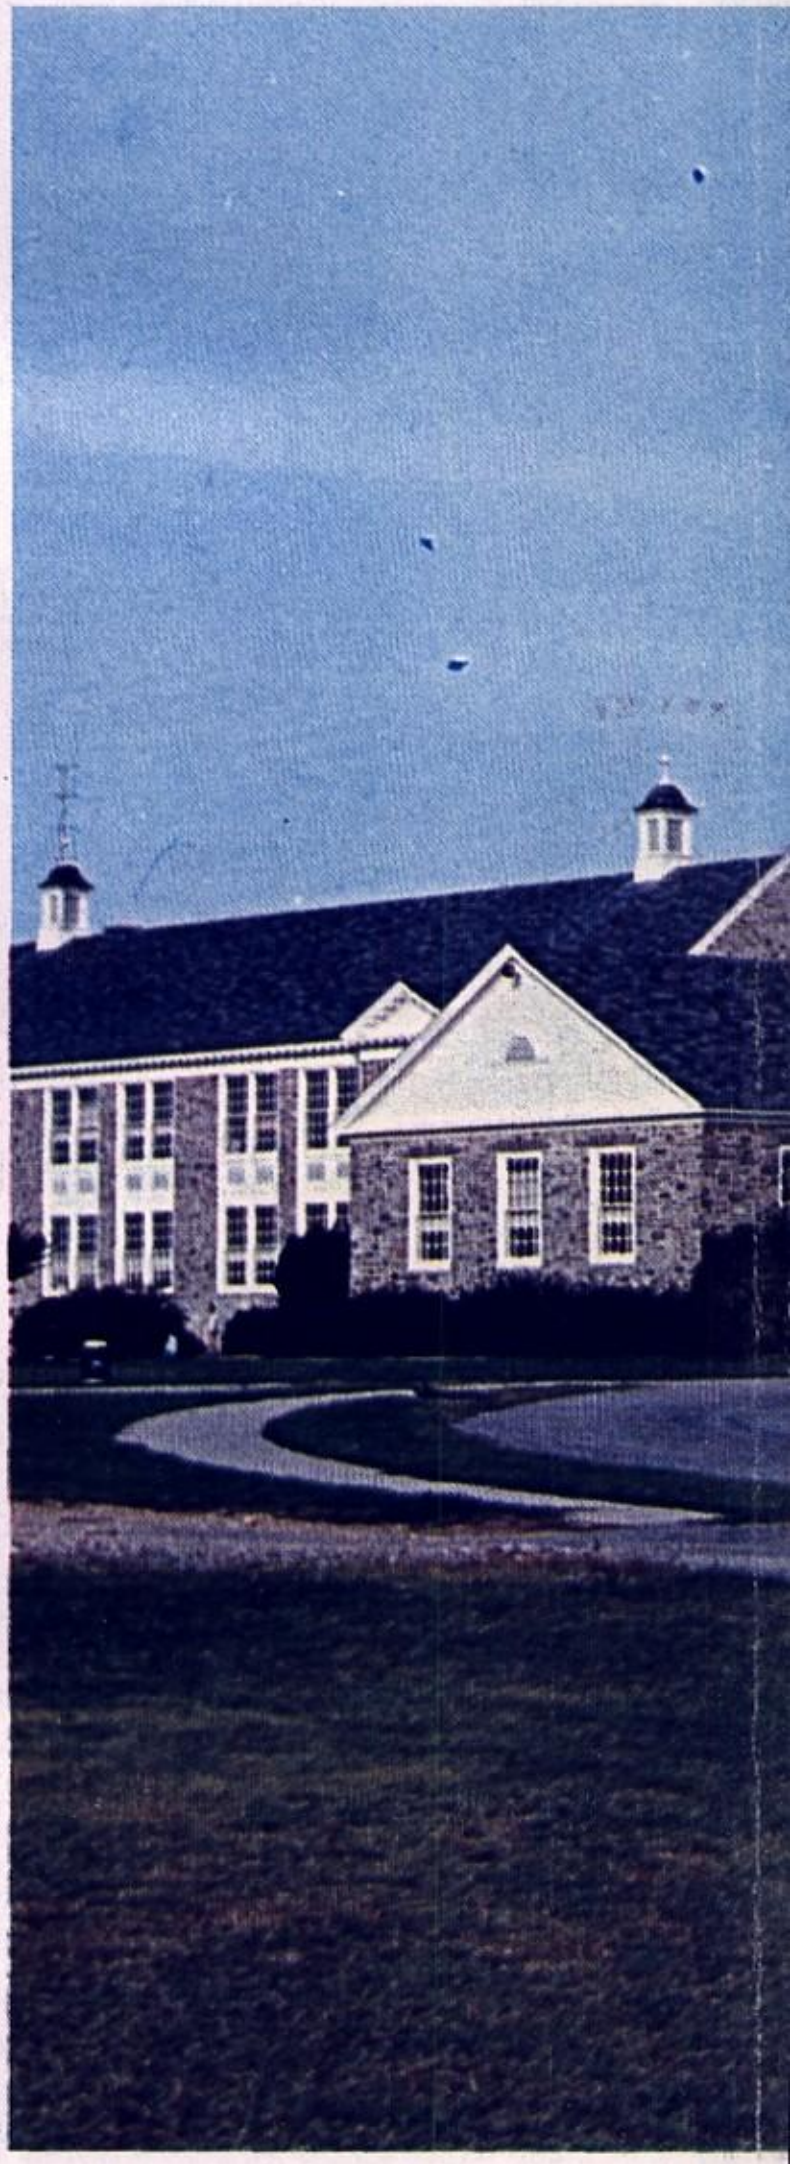
ALMA MATER

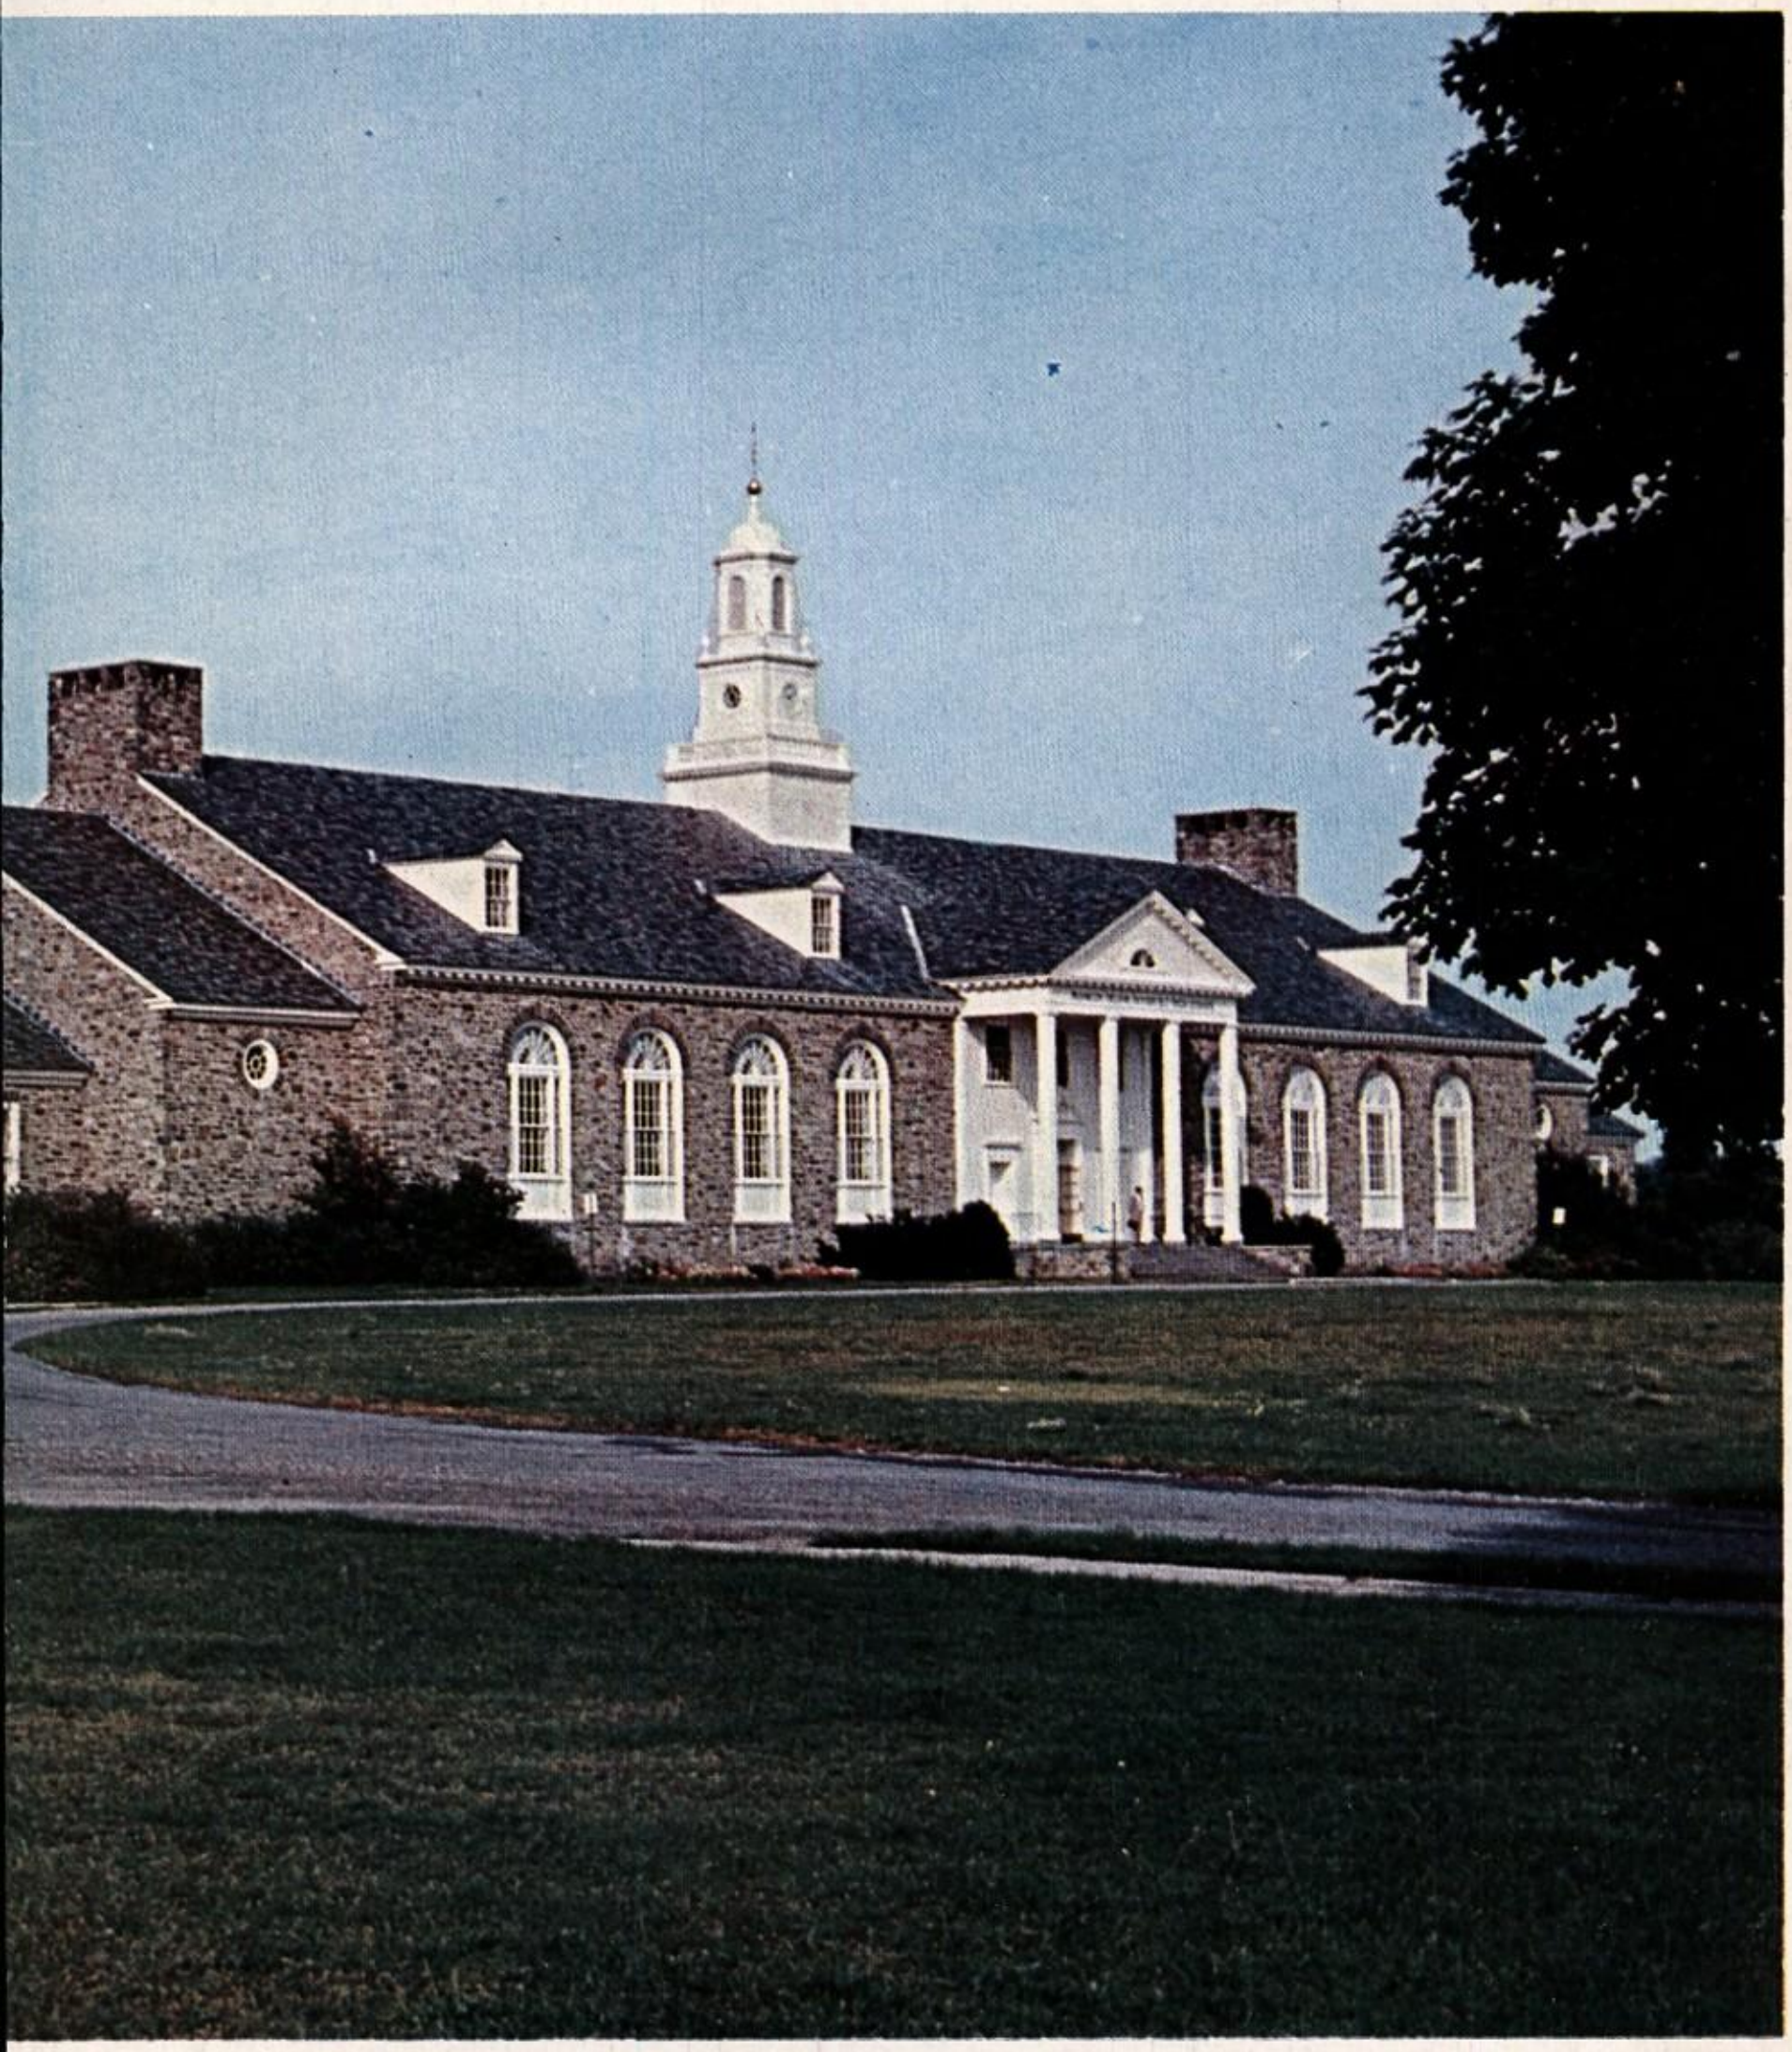
Oh Roosevelt High we'll sing thy praise
And try to do our part.
Your colors green and gold,
We'll always cherish in our hearts.
In unison we've labored hard,
And had a lot of fun.
We'll give our thanks to Roosevelt High,
In all the years to come.

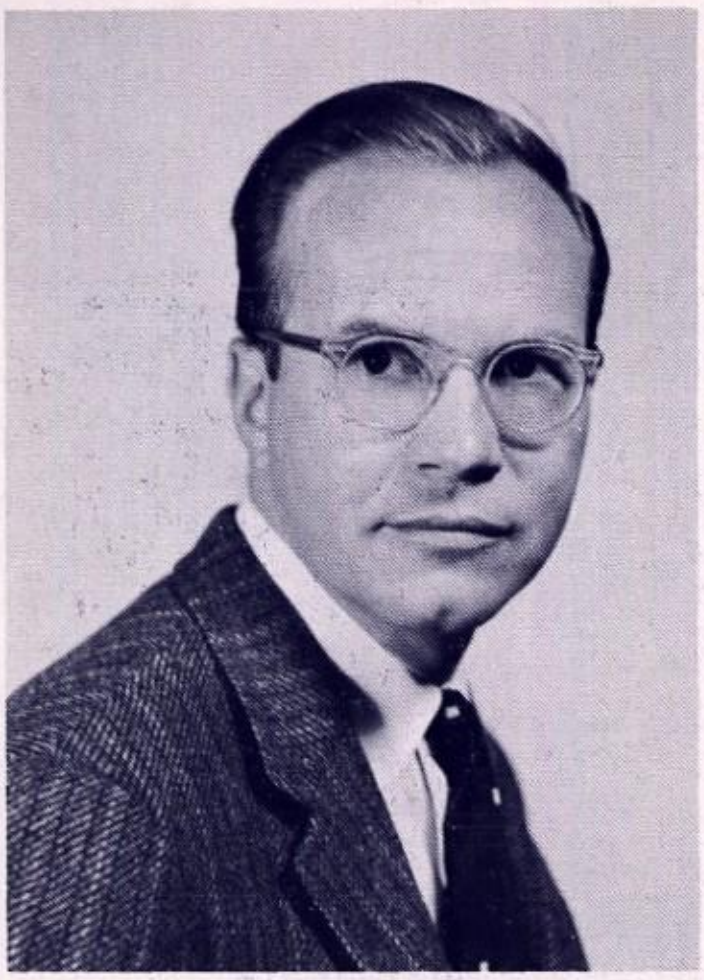
Hail to thee, our Alma Mater.
Dear, to thee we'll e'er be true.
We'll spread thy fame forever more
And praises sing to you.



FOREWORD

This "Orbit" represents the Class of '57. Our book has no proper theme. We feel that life at Roosevelt is a theme in itself. We hope those who read it will gain an understanding of life at Roosevelt High as it goes on throughout the year. We have tried to preserve in this book all that Roosevelt holds dear to us and to all those who have known it. To the graduating seniors, this book is not just a record of a year gone by, but, in the future, will serve as a reminder of all our years at Roosevelt High.





MR. WILLIAM CLAUSS

MR. HENRY WERLE

Because we appreciate the time and effort which they have expended for our benefit, we, the Class of 1957, proudly dedicate this ORBIT to our two loyal class advisors and friends — Mr. William Clauss and Mr. Henry Werle.

MISS JEAN WALKER

MRS. HELENE ROSENBERG

In sincere appreciation we wish to thank Miss Jean Walker for being an understanding friend and teacher. We would like to show our gratitude to Mrs. Helene Rosenberg for her assistance with the publication of the ORBIT.

Visitors to Roosevelt High School are greeted by a new sight — the Haviland Junior High School recently constructed nearby. This new addition to the Hyde Park school district has permitted both senior and junior high divisions to return to full day classes. The Class of '57 extends its best wishes to Mr. Trani and the members of the junior high faculty for the forthcoming years.

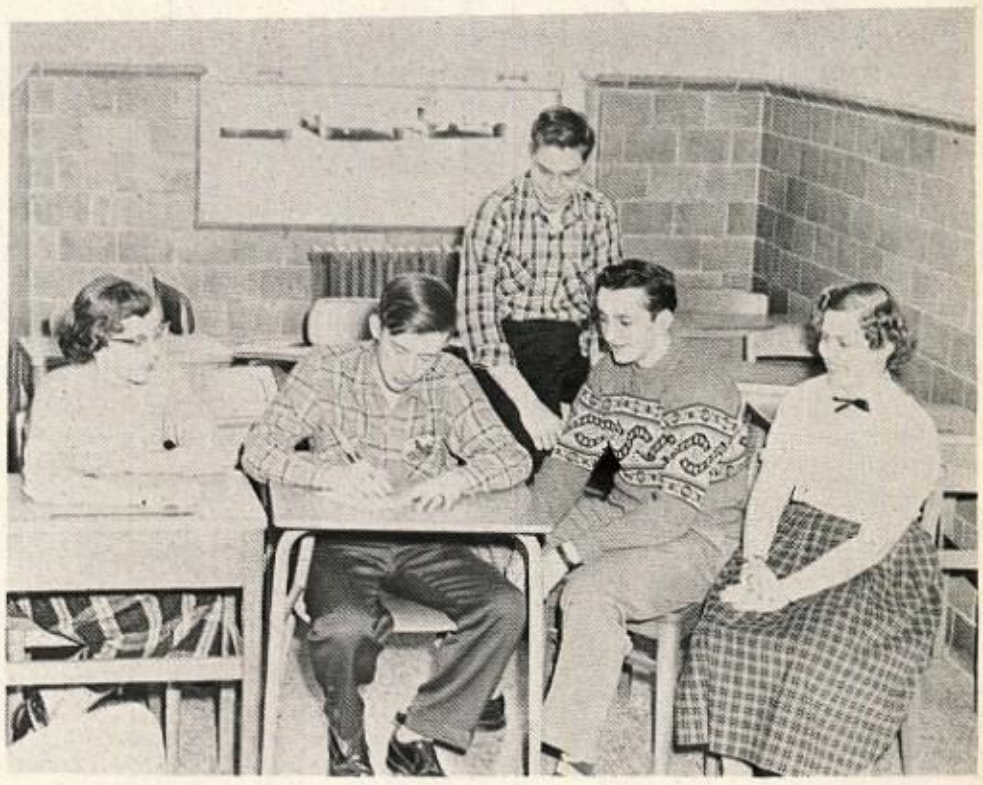
The National Honor Society gives recognition to high school upperclassmen who show superior achievement in scholarship, character, leadership, and service. It is a distinct honor to be selected for membership in this organization which has chapters in hundreds of American high schools. Members are elected by a joint committee from the society and the school faculty. In addition to recognition of excellence, the society aims to encourage high standards within the school. Officers of this year's group were: President, Dean Chapman; Vice-President, Diana Decker; Secretary, Mary Ann Guglielmo; and Treasurer, Penelope Phelps. The faculty committee includes Miss Walker, Miss Fredriksen, Miss Roach and Mrs. Erwood.



THE NATIONAL THESPIAN SOCIETY

First Row: Jacqueline McCormack, Mary Ann Guglielmo, Diana Decker, Penny Phelps. **Second Row:** Frederick Trani, David Fenwick, Ronald Cerrone, Henry Hofmann. **Top** Michael Ward.

The National Thespian Society is an honor group which gives recognition to those students who show interest and ability. It offers excellent opportunities to promote appreciation of theater arts.

In order to become eligible for this society a student must earn a certain number of points allotted for participation in any phase of dramatic production — acting, stage work, make-up or directing. The director of the R.H.S. chapter is Miss Barbara Ross.

SENIOR HIGH MONITORS

Front Row, left to right: Janet Cook, Susan Bock, Martha Strever, Diana Decker, Carolyn Medlin. **Second Row:** Barry Titus, Andrew Dahl, Brenda Forbes, Frederick Trani. **Third Row:** Wayne Wilhelm, Bruce DuBois, Michael Ward.

The monitor system is made up of seven students from the Haviland Junior High School and twelve students from R.H.S. who are responsible for traffic control in the corridors. The senior high members, under the direction of Mr. Simmons, are chosen by the Student Council and approved by the faculty. This organization helps to keep the traffic moving smoothly throughout the entire school day by enforcing law and order in the halls between classes. Frederick Trani is in charge of the monitors and Michael Ward heads the locker monitors, a subdivision of this group. Eleanor Davies is the captain of the monitor system at the Haviland Junior High School. Because safety for all students lies in the hands of this organization, we commend them on the splendid work that they perform daily.

Although the band is seen at many extra-curricular activities, it is part of the curriculum and offers Regents credit points. The organization offers opportunity for work and for fun, for individual achievement and service to the school.

Despite reduced rehearsal time, the director, Mr. Musselman, achieved results of which the school is proud. Forty members — some enthusiastic beginners and others advanced, competent veterans — help to gain this success.

Appearing with the band on special occasions are the twirlers, also directed by Mr. Musselman. In the 1955-'56 state competition, three of these girls won A ratings for both individual and group appearances. Throughout the year they added considerable color and pep to band performances.

Future Teachers of America is a club which provides any Senior High student interested in teaching, with the opportunity of visiting the various district schools and observing teaching methods. Many of the members have helped with the instruction of various subjects or actually conducted a class with the teacher's supervision. At meetings, members discuss their various experiences, and ideas concerning different phases of teaching are also discussed. Officers for this year are: President, Charlyn Chlanda; Vice-President, John Gray; Secretary, Margaret Tator; Treasurer, Martha Strever. Mrs. Lenore Kennedy is the advisor for the group.

The 1956 ROOSEVELT football squad was one of the youngest and smallest ever to present itself to Coach Farnum for fall training. It had only two of its starting line-up returning from the 1955 team and numbered a mere 20 players.

With this inexperienced, green squad of players Coach Farnum worked tirelessly to build a team. The result, although not shown in the score books, was a group of boys who learned the game from scratch and added some experience for the future.

Left end James Wager, a sophomore, was selected for the All-County second team, a symbol of the youth and spirit of the team.

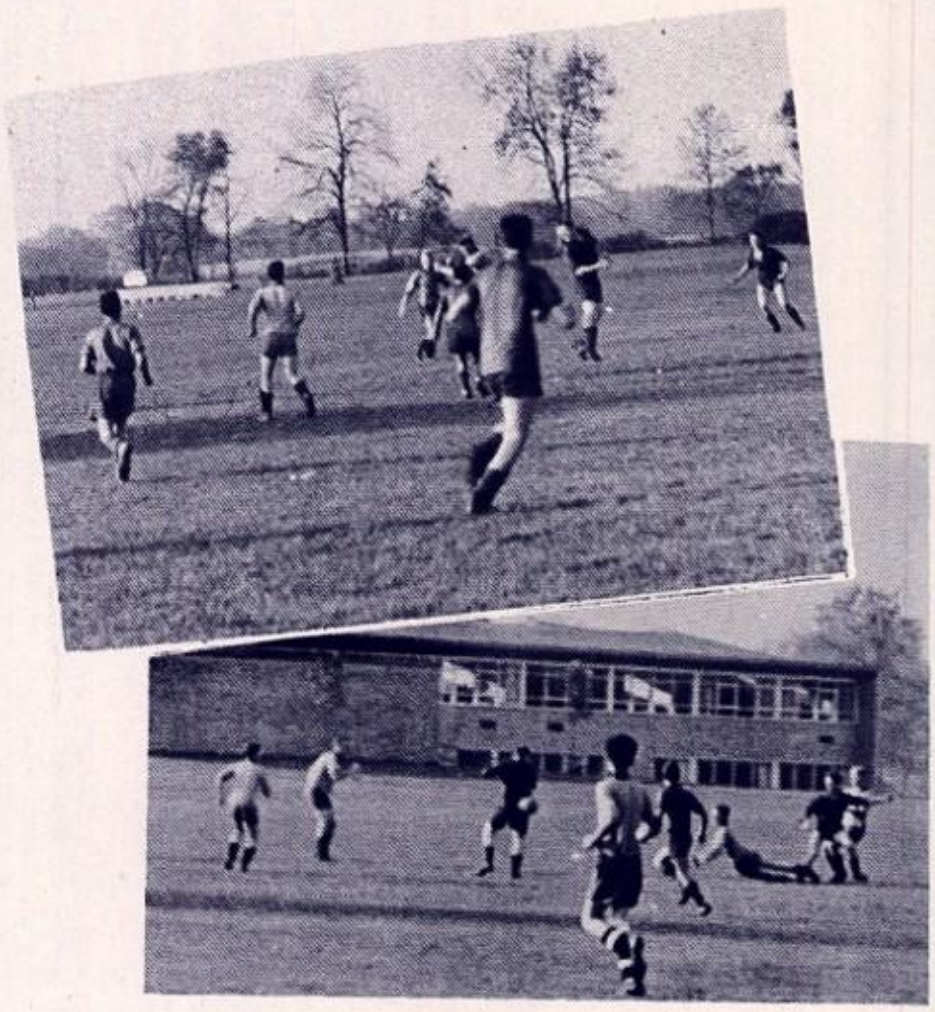
SOCCER

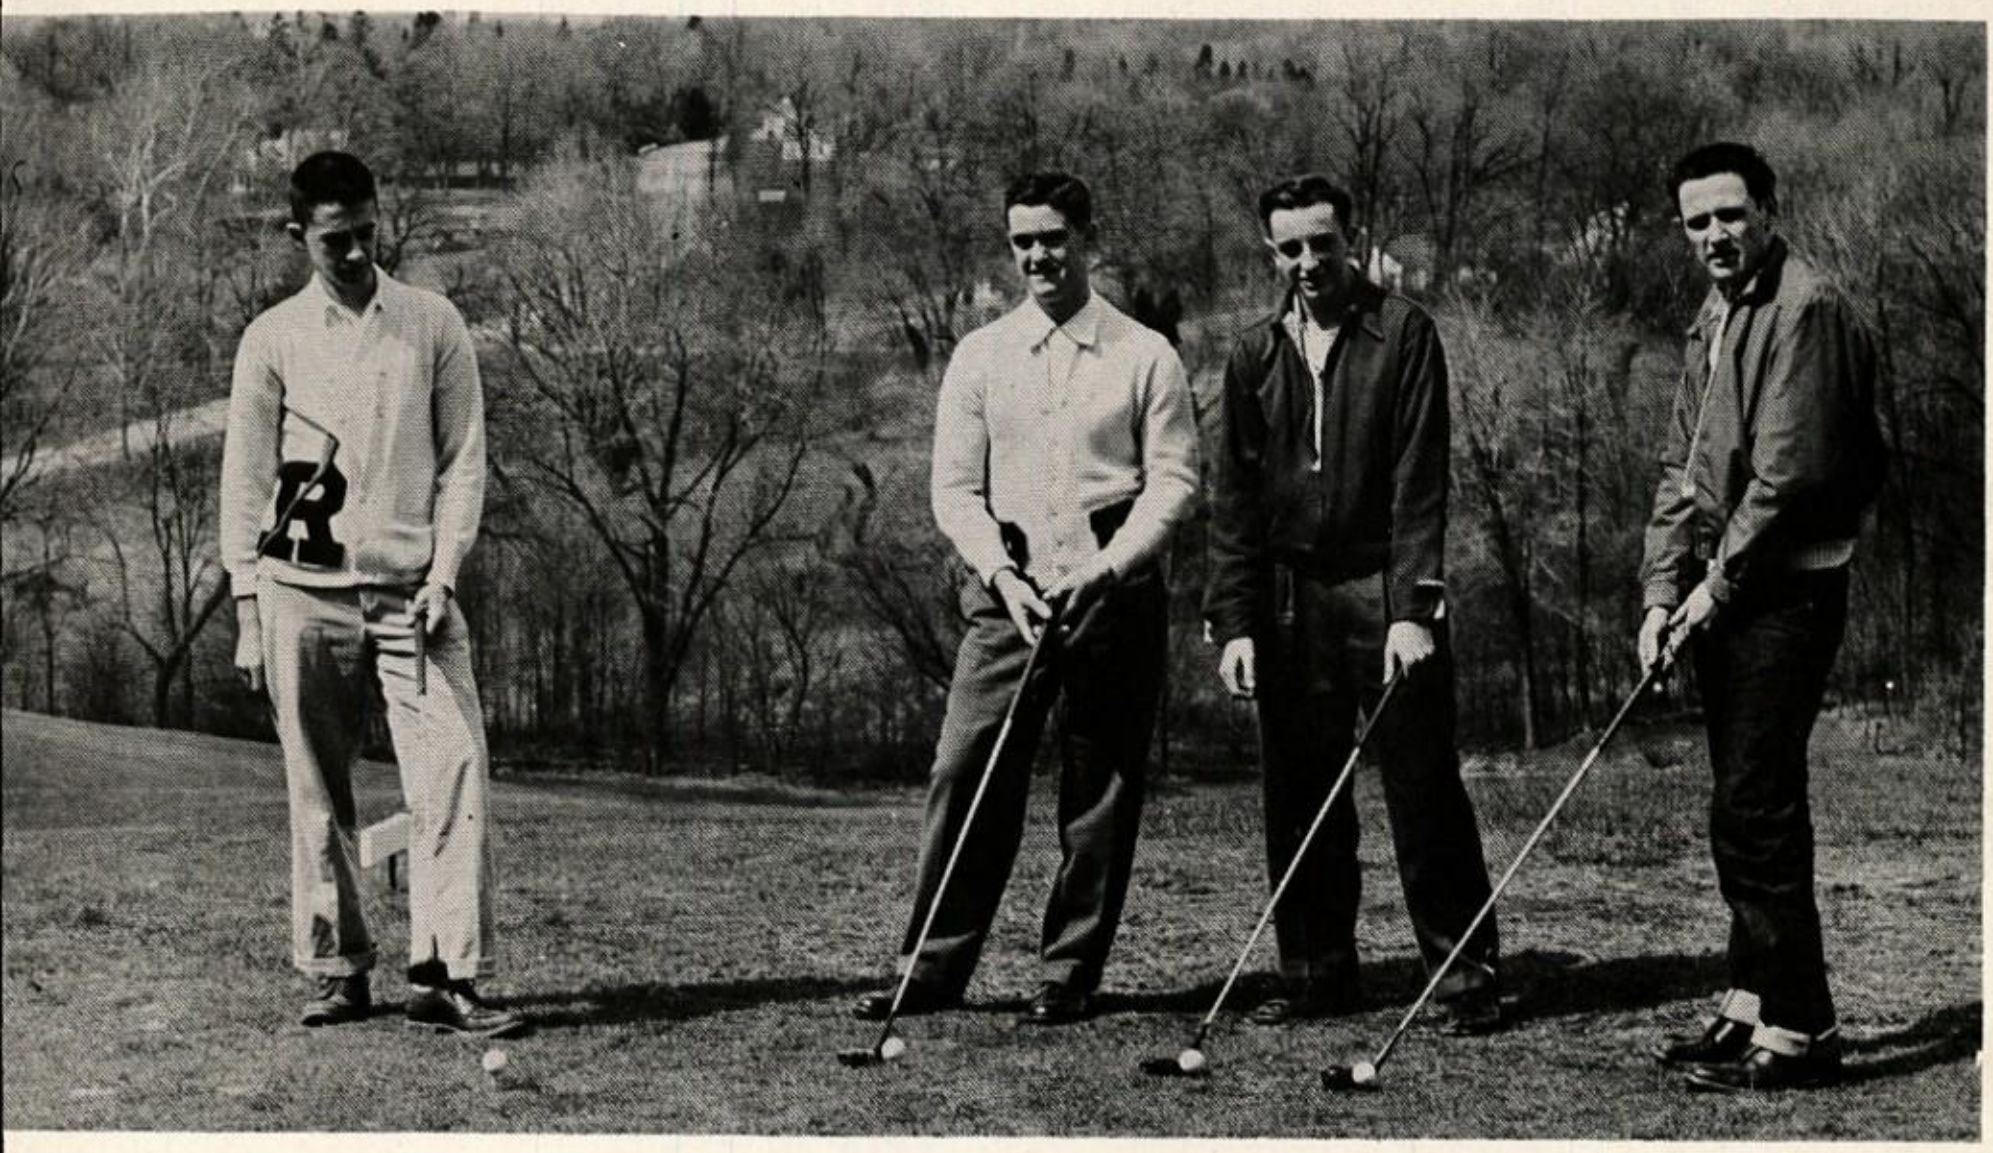
First Row: George Rings, Robert Fisher, William Morris, Donald Panessa, Kenneth Devens, Richard Day, Roger Crasper, James Holland. **Second Row:** Manager Herman Heller, Joseph LaRosa, Richard Sweet, Tad Parker, Frederick Trani, Vincent Buck, Ivor Dingae, George O'Dell, Donald Adams, Richard Benward, David Sten, Coach Sunderland.

During the 1956 soccer season the R.H.S. team, with a record of five wins and three losses, fought its way to second place in the D.C.S.L. Coach Wayne Sunderland did a fine job in filling the places of five of his starters that were lost through graduation, and despite many injuries, brought the team to its present position. The games, better attended by spectators than usual, were full of color and speed, and often featured rough play.

Four of the team made the All-County team and played a game with Westchester County's All-Stars. These boys were Ken Devens, George O'Dell, Bill Morris, and Roger Crapser. All are seniors and leave a sizable gap in next year's line-up.



GOLF



Left to Right: Jon Alley, Donald Holden, Roger Crasper, Charles Kalamas.

The 1956 golf squad, under the direction of Mr. Frank Tafuro, put in a worthwhile season of golfing, although their record was not tremendous. The Roosevelt squad, consisting of Jon Alley, Kenneth Schwartz, Donald Holden, Roger Crapser, Charles Kalamas and Harold Cutten, was victorious in three of its nine meets, but expects a more successful season in '57, for only one player, Jon Alley, will be missing from the line-up. Among the schools that the R.H.S. putters faced were Arlington, Beacon, Red Hook, Catskill and Oakwood. Mr. Tafuro, in his first season as coach, did a very commendable job and is looking forward to next year's season of golf with much enthusiasm.

Golf, although not a major sport, is becoming increasingly more popular in this area, and quite a few other schools are taking it on as a part of their athletic curriculum.

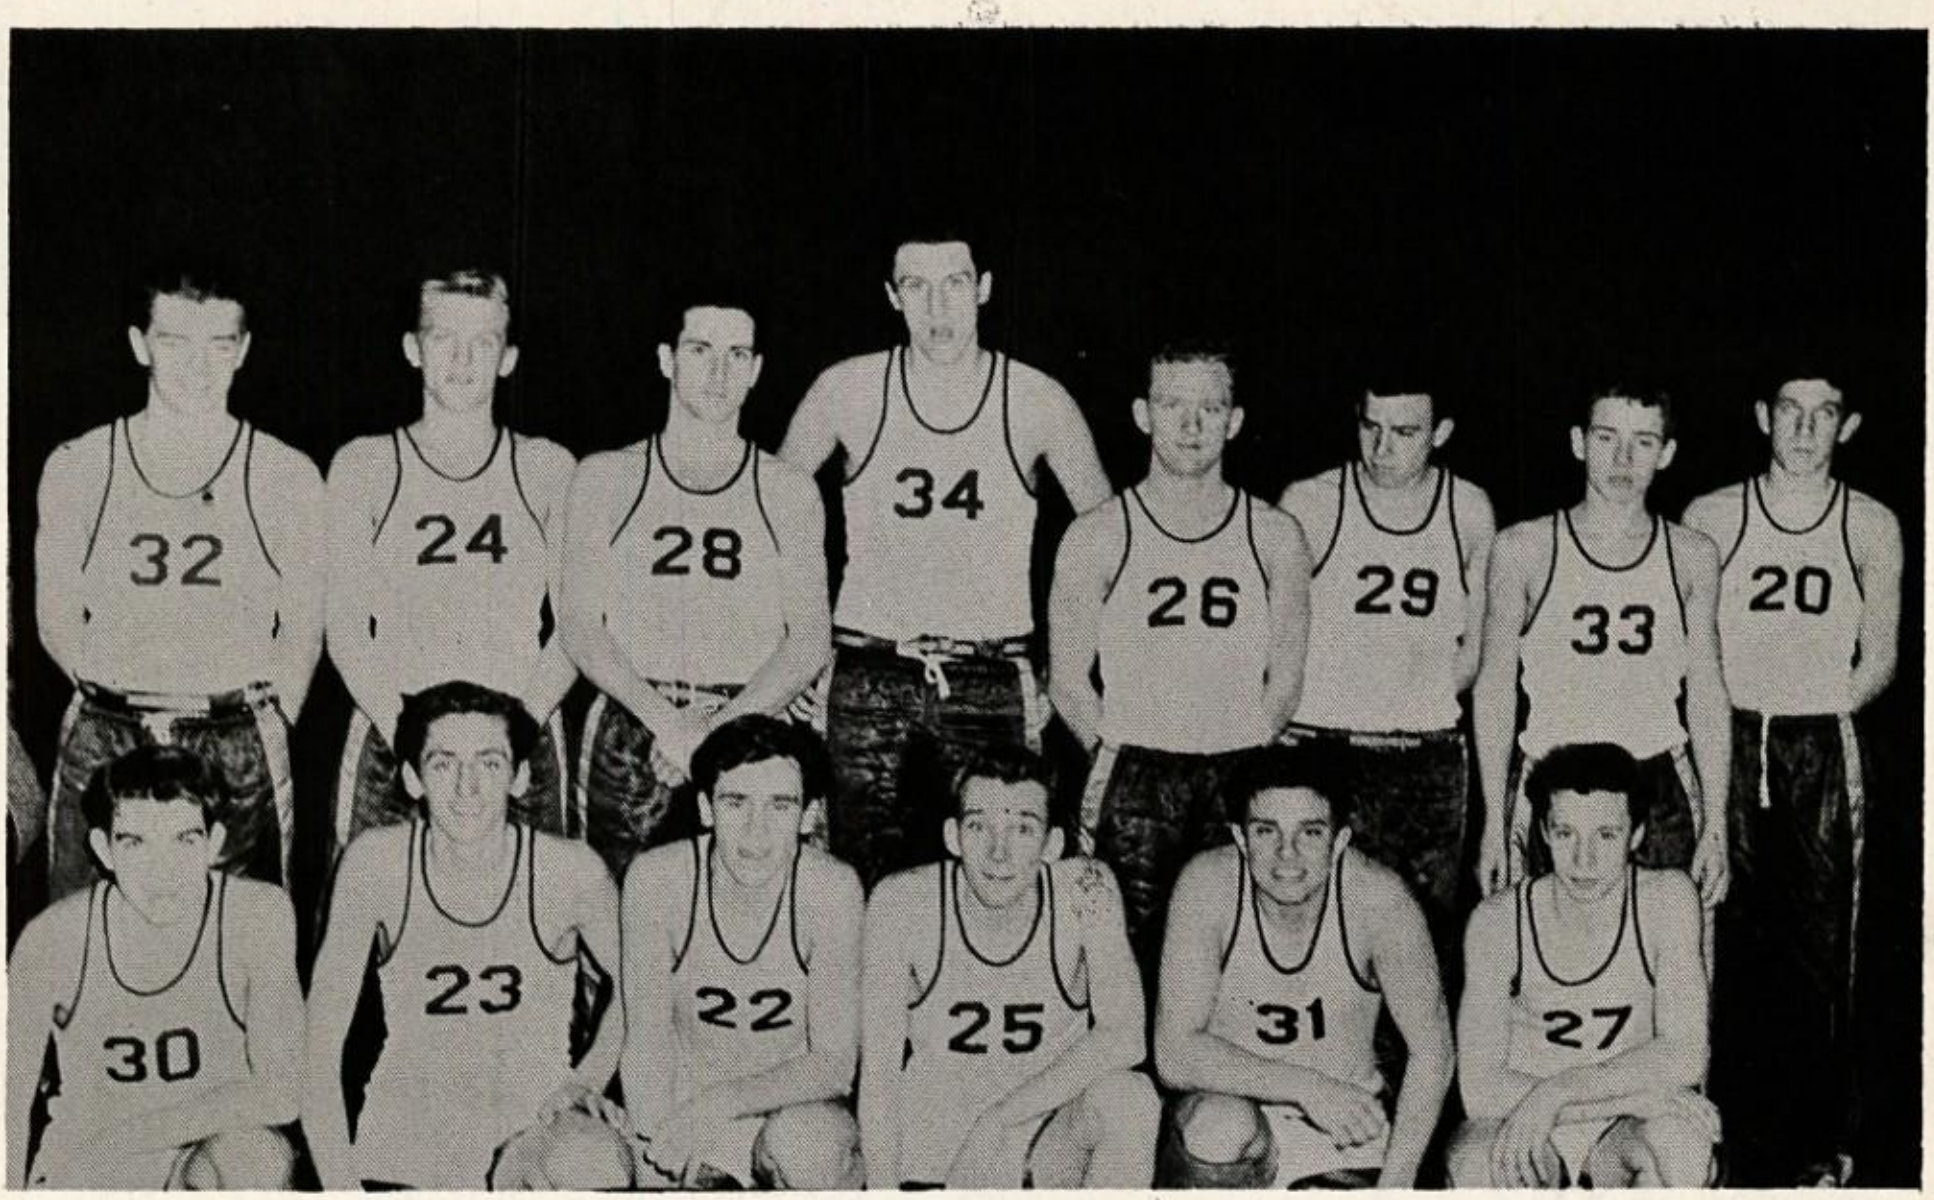
Tom



First Row, left to right: John Welch, Fred Weiss, Ivor Dingae, Bruce DuBois, James Gilbert, George Johnson. **Second Row:** Robert Sunderland, Ronald Keene, Thomas Erts, George Cole, Kenneth Devens, David Sten, James Wager, Glenn Santmire.

The basketball squad of the 1957 season was one of the surprise packages of the Roosevelt sports picture. With only two of his five starters from the 1956 team returning and the task of developing a new center and two forwards facing him, Coach Lewis had a very difficult bill to fill. In 6'2" Fred Weiss, a junior with no previous experience, Coach Lewis found his center and in John Welch, Bruce DuBois and George Johnson, he found his forwards. These boys, plus returning guards Ike Dingae and Jim Gilbert, formed the big six that led the team to second place standings in the League and a playoff in the Class "B" tournament at White Plains.

The squad, despite the loss of three of its players due to eligibility in mid-season, faced up well under the opposition of the area schools and finished the year with a 12-5 record. Its record in the D.C.S.L. play was 3 wins and 3 losses, which put them second only to Arlington in the League.

In view of the fact that three of the starting five are returning next year and the great potential shown by the Junior Varsity players, hopes are high for an even more successful season next year.

JUNIOR VARSITY BASKETBALL

First Row, left to right: Jerry Anderson, Doug Peterson, Bill Miller, Bill Swenson, Lou Rings, Dave Sten. Second Row: Lou Sala, Tom Fowx, Dick Sweet, Jim Wager, Gary Veeder, Jim Bacon, Coach Sunderland.

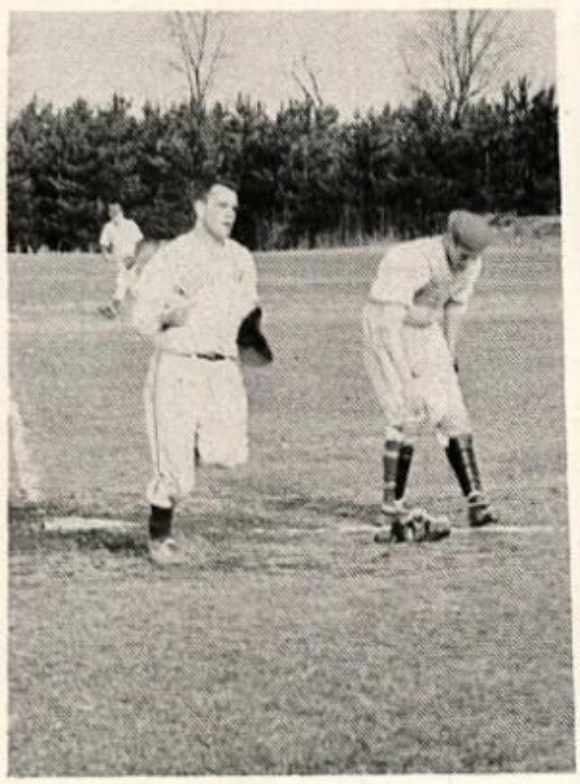
This year's Junior Varsity basketball squad has been a great encouragement to Roosevelt rooters both past and present, because of its great potential. This team has the height of Doug Peterson, Bill Miller, Lou Rings, and Bill Swenson, all of whom are over 5'11", and the speed and shooting skill of Jerry Anderson, Jim Wager and Dave Sten. All of the boys on the squad are sophomores, which gives them two more years of basketball and an open shot at the VARSITY squad next year.

The J.V. team finished the season with a fine record of 12 wins and 5 losses. These boys played a great season of basketball, and thanks to Coach Sunderland, they gained an immeasurable amount of experience and knowledge by it.

VARSITY BASEBALL-1956

The baseball team of 1956 was one of the finest in recent years at R.H.S. Under the coaching of Mr. Sunderland the boys brought home the oft-mentioned "bacon" which is better known as the DCSL crown. Although they were defeated by Rhinebeck in the play-offs, the boys maintained a solid and commendable record.

The nucleus of the squad was made-up chiefly of seniors, who will not be playing next season and will be missed. Joe Manfredi, Tom Cerulli, John Dorn, Dick Byrum, Jim Depew and Tom Mahar are among the boys leaving. The remaining members of this squad with the experience they gained this season, will undoubtedly uphold the traditions of the school in 1957.



CREW-1956

Varsity Shell: Louis Frost, George Caccoma, Gordon Adams, Jack Arnt, John Pretak.

Crew, in the spring of 1956, reached a new high for sports at R.H.S. It was the first team from Roosevelt ever to win a National Championship in any form of sport. The varsity boat of George Caccoma, John Pretak, Jack Arnt, Gordon Adams and coxswain Lou Frost outraced eight other contenders to win the Senior National Championship Four-oared trophy. The other schools came from as far south as Virginia, as far west as Detroit, and as far north as Canada.

The season as a whole was successful and under the expert coaching and training of Edson Decker, a former Navy oarsman, R.H.S. had its best year since Crew began in 1950. The season consisted of six races, all rowed on the Hudson River except one, which was raced in Salisbury, Connecticut. The big local race of the year, the Triangular, between R.H.S., Arlington, and Poughkeepsie was won by R.H.S. with one first and two seconds.

The boatings of the crews during the final weeks of the season were:

VARSITY CHEERLEADERS

First Row, left to right: Marguerite Fitzpatrick, Miss Diaz, Dorothy McCarty. **Second Row:** Gwendolyn Luty, Jean Comiskey, Mary Travis, Patricia Kardas. **Third Row:** Sandra Rose, Gertrude Daley, Donna Taylor, Elise Durr. **Fourth Row:** Judith Bradt, Joan Morrill, Jacqueline McCormack, Brenda Forbes.

A team is like a scientific experiment: if it is to be successful, there must be something to back it up. R.H.S. teams had this something, the cheerleaders. With the help of our coach, Miss Lucille Diaz, the school has had two squads that compare very favorably with any others in their history.

For the Varsity Cheerleaders, under the direction of co-captains Dot McCarty and Margie Fitzpatrick, it will be a long remembered season. They were present at all the football games and did their best to keep the spectators cheering and to build the morale of the team. During basketball season they helped the boys beat some very difficult opposition by giving them the encouragement needed for victory. Their precision performances showed the result of many hours of carefully planned and directed rehearsing.

As for the Junior-Varsity squad, they also did a superb job in promoting victory for their team. Their presence and untiring effort at all the soccer and J.V. basketball games gave their teams the desire to exert every effort to win. Captain Ann Lawlor and Co-captain Patty Ingalls worked with their squad to make this peppy group one of the finest.

JUNIOR VARSITY CHEERLEADERS

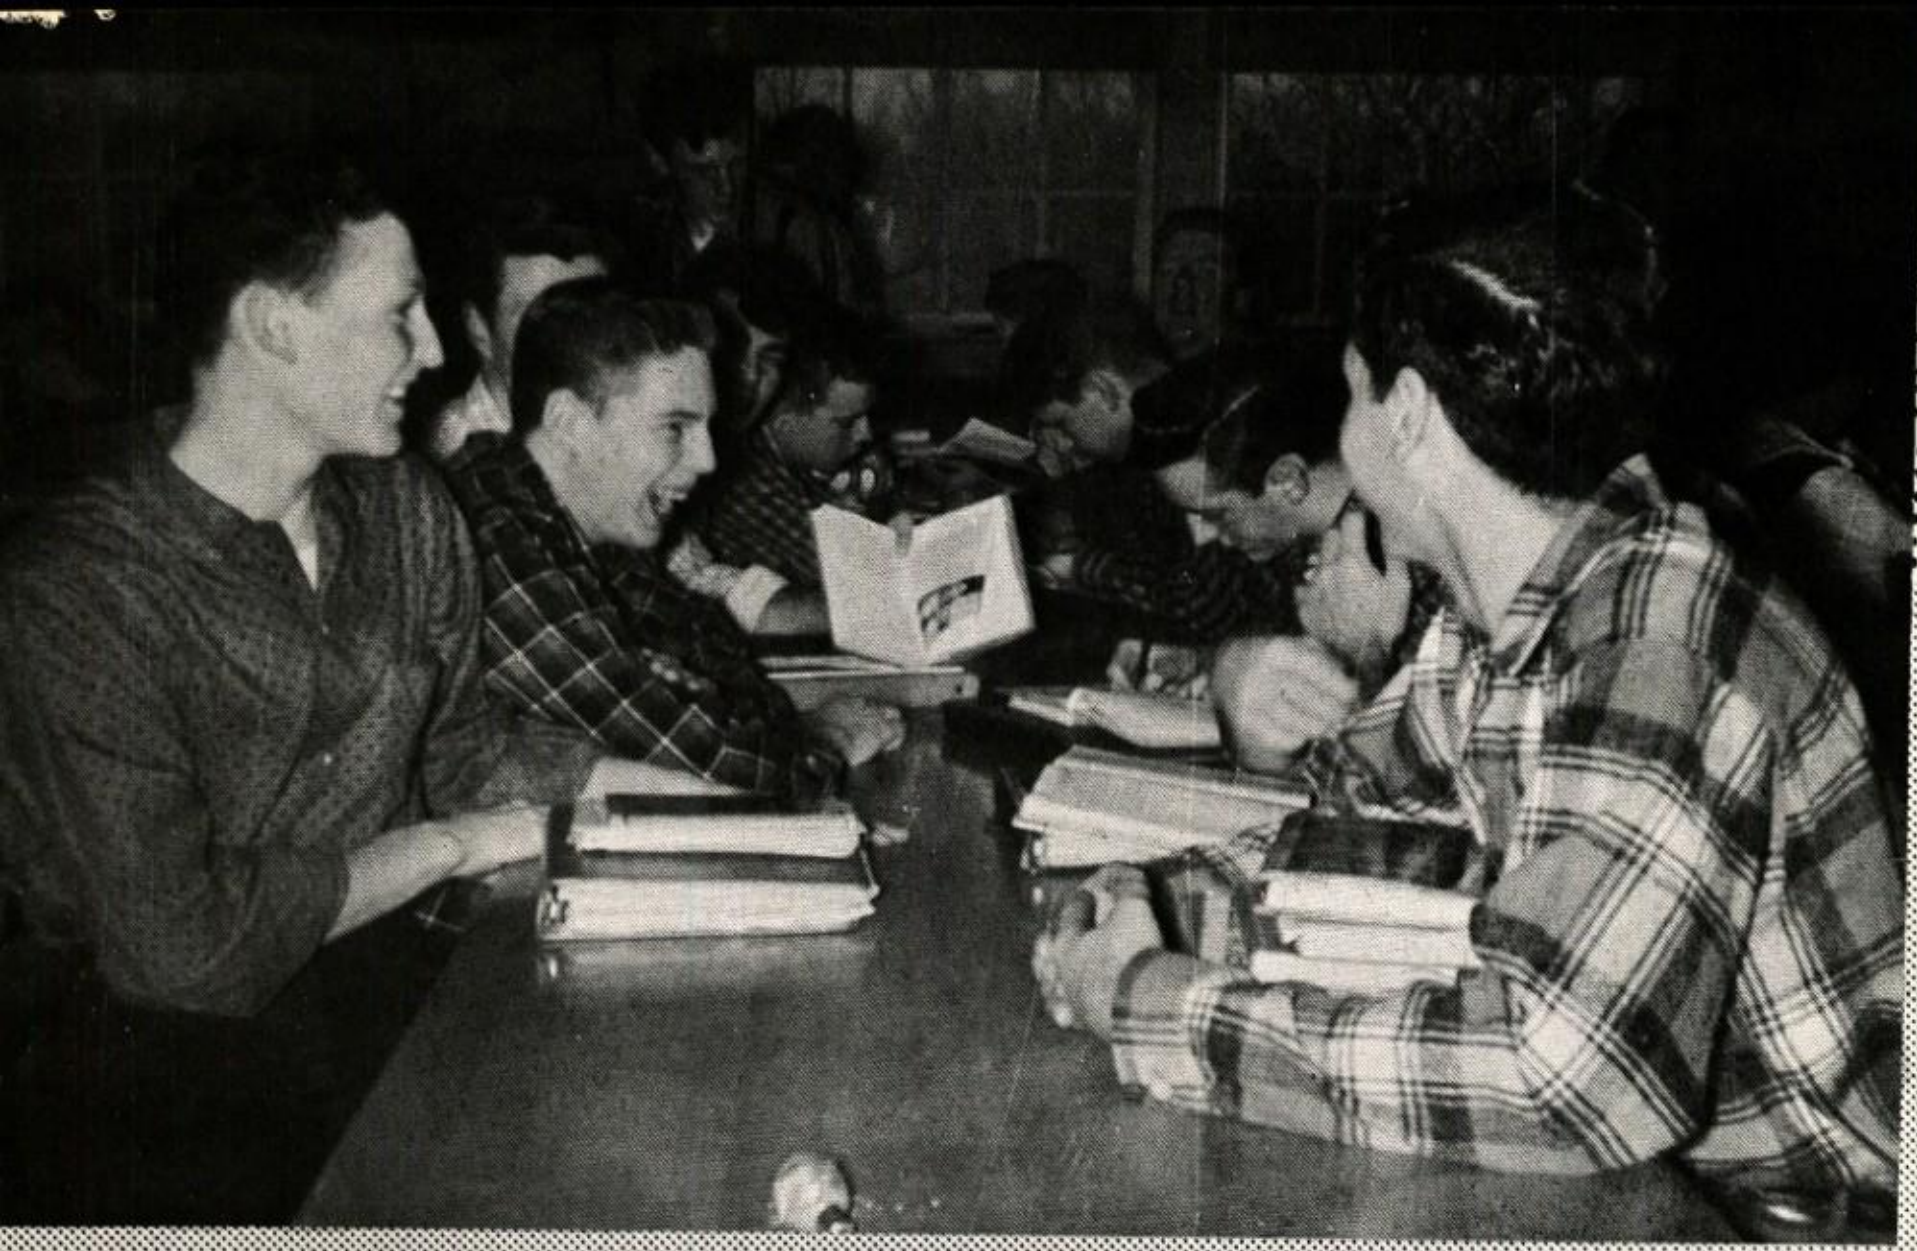
The Varsity Club, under the advisorship of Edson Decker, the crew coach, had quite a successful year and improved its standards considerably.

The club consists of boys who have earned at least one Varsity letter in Crew, Football, Basketball, or Soccer. A candidate for the club, in addition to having earned a Varsity letter, must be passing all of his subjects. After an initiation period of several weeks the candidates become full-fledged members of the organization.

Through the combined efforts of President George Caccoma and Coach Decker, the Varsity Club went to the Yale-Princeton football game, had a hayride, and put on a movie and dance night with the cheerleaders.

The club's main purpose is to encourage participation and sportsmanship in athletics and to provide a goal toward which the boys may strive.



to the best I wish the best. I hope to see you next year So I can pay you back Some of the gum I mouched off of you and to have some more fun. like we had in algebra
